

Capacity Awards Daily Report - Sample

Each morning Capacity Center emails a spreadsheet with details of capacity deals (awards) done the prior day on each pipeline you subscribe to. Another option is to purchase our All in One Awards Report. The All in One consolidates every award on every pipeline into one daily morning spreadsheet.

This sample report shows the awards for Columbia Gas Transmission. It takes a bit of study to understand the details as the spreadsheet delivered has up to 50 fields of information with every detail you could ever want. To review this sample report, focus on the offer number to track the information through the different tables of data.
