Capacity Market Data Hub

A Must for Shippers and Capacity Trading Companies

Capacity Offer Bulletins

- Select which pipelines you want to monitor
- We send you emails with offer details as they are posted

Daily Awards Report

- Start every morning finding out what deals were done
- Includes prices, counterparties, locational data and more

Serious Pipeline Notices

- We cull the noise and immediately send you just the serious notices
- Serious = A notice that will or may affect your operations

Open Season Notices

- Don't miss an opportunity to get in on capacity expansions
- Get all the data you need to assess each opportunity

Capacity Data Hub Plans

Flexibility to Fit Anyone's Budget

By The Pipeline

- For those who need fewer than five pipelines
- Select from any pipelines on our list

Multi Pipe Package Deals

- Discounts on packages of 5, 10, 15 pipelines up to all 100+
- Select from any pipelines on our list

Bundled Deals

- For those with Multi Pipe Packages we offer further discounts on our other services
- Analytics – Advisory – Reports

Capacity Release Locator

For Both Shippers and Non-Shippers

It's As Easy As:

Log In

Search

Download or Print

- Online access to capacity release deals on every pipeline
- Find out what is available, how much, location data, etc.
- Even if you aren't a shipper on the pipeline
- If you are a shipper, click to go to the EBB and bid
- Discover who is releasing capacity under what terms
- Compare offers on different pipelines going to the same Citygate
- Assess what your supplier is charging for delivery

Access To All 100+ Pipelines For One Low Annual Fee

Advisory Services

A Small Sampling of Advisory Services We Provide

- Capacity Expansion Analysis
- Rate Cases
- FERC Filings
- Legal Case Analytics
- Expert Witness
- Intervener Strategies
- Intervener Data Preparation
- Pipeline M&A Due Diligence
- Generation Siting Planning
- Gas Storage Analysis
- Hydrogen Hub Planning
- Long Term Price Forecasts
- Compliance Audits
- NAESB Standards Prep

Hundreds of Referenceable Engagements

Capacity Market Analytics

Based on Our Extensive Pipeline Database, We Can Analyze a Wide Variety of Topics

How to Engage

Schedule a
Discovery
Meeting

We will demonstrate
our Data Hub,
Locator, and other
information services

Set up a Free Trial
for the Data Hub
and/or Locator

For Advisory or
Analytics during the
Discovery Meeting
we will flesh out a
Scope

We will prepare a
proposal and
agreement for your
consideration
